

On Wednesday, December 21, Tony Roma's in Palm Beach again hosted the management of Red Sails Sports, represented by Peter de Hoop, Managing Director and Tep v/d Heuvel, Retail Manager, who once more recognized a valuable employee that celebrated her fifth anniversary with the company.

Johanna Rosario started her employment as retail associate on December 17, 2001 and carries out her duties with care and dedication to the complete satisfaction of all guests with whom she comes in contact. As Johanna is soon to become a mother, she confessed that she counts the days that she could bring her bundle of life into this world and another addition to Red Sail Sports family.

Joining Johanna and the Red Sail management for a fabulous lunch at Tony Roma's in Palm Beach were birthday celebrants Edseline Semeleer, Marketing Manager, Marloes Wanders, Reservations Associate, Dave Lacle, Beach Associate who during the month of November became one year younger. As is tradition, they were treated to a birthday lunch at their favorite spot.
